Mrs. Magrath

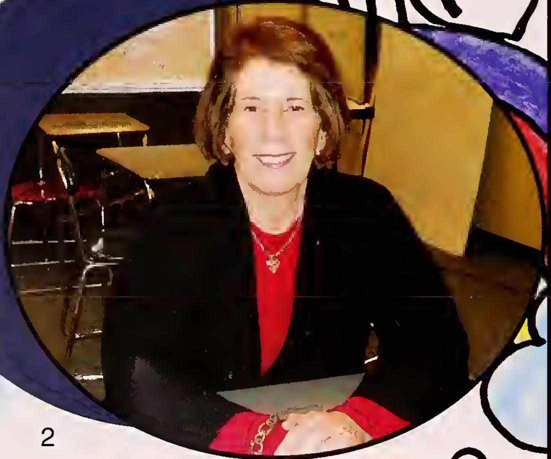
Mrs. McGrath comes from Western Mass. She had 800 peers in her graduating class! She received her BA from Merrimack College and then her Masters from UMASS Lowell and Lesley College. After teaching at MHS for 39 years, dating from 1972, Mrs. McGrath considers her students as part of her family. She has enjoyed the AP program and all the other teachers she has met through it and will miss her fellow teachers in the math department.

Though she has noticed the exponential decline in manners that students seem to be developing, she enjoys teaching MHS students, because they can be reasoned with. Her students as well as any other who may need her help, have always shown appreciation for her willingness to assist them. While Mrs. McGrath still sees teaching somewhere else in her future, she is still proud of Methuen 's community and will miss the students, because they appreciate her as much as she appreciates them.

Mrs. Moynihan

Mrs. Moynihan has been a media specialist at MHS for more than 20 years, and also worked at various colleges and elementary schools. She says, “Of course Methuen High is my favorite.” She loves the people in her department. She enjoys her job so much, because the media center is the place where all other departments visit. The best part of her job is that she gets to meet all the different students and works with many of the faculty members at Methuen High School. Mrs. Moynihan says her fondest memory of the media center has to be when they first received computers. Since then, her job has become much better and she is able to help students find many online resources beyond the books in the media center. She has high hopes for the new building and looks forward to hearing about a more updated library. She can not wait to go to Alaska this summer with her family and somewhere warm next winter!

Mrs. Comeau



Mrs. Comeau is a familiar face in the math department. She has been teaching for 35 years. Mrs. Comeau received her Bachelors in Mathematics at Salem State and her Masters at UMASS Lowell. She loves and has enjoyed her years of teaching because of her love for the course and watching the students grow and mature. She also loves assisting the students with their college entrance through writing letters of recommendation. Mrs. Comeau may be retiring, but she will continue working in the field of education, teaching part time at NECC. She is excited about the MHS renovation and what benefits the math department may reap from it. She recognizes how students have changed over the years, but believes that her colleagues will continue to influence and reach the future children of MHS. "It is rewarding when students realize the impact a teacher has had on their lives." Above all, she leaves MHS with the hope that she has helped her students succeed in both mathematics and life learning experiences, created an impact on their lives, and also with the relief that she will be sleeping in after 5a.m. from now on!

Mrs. Lohnes

If you've ever walked into NW11, you may be familiar with some of the eccentric but endearing quirks that Mrs. Lohnes brings to the classroom. From the impromptu jogs around the classroom in cold weather to the pep she infuses into the Spanish language that she teaches to her students. Mrs. Lohnes has been married to her best friend, Ric for 37 years, the mother of three daughters and a son-in-law. She is as happy in the classroom, as she is out of it. Mrs. Lohnes is fluent in French and Spanish and has enjoyed working with Ms. McNichols on the AP program. Language has a profound meaning for Mrs. Lohnes, and she advises her students to "take the time to learn another language and culture because it opens minds and hearts to the world." After her retirement, she is doing just that as she plans to take mission trips with her church to Guatemala and Honduras. As she gets ready to leave, she notices the declining attitude that students have toward their time in school, but she leaves MHS with her faith resting in her well trusted colleagues, who have given her a daily dose of positive energy and hope for the future.

On behalf of the MHS family, the yearbook staff would like to extend gratitude to our 2011 retirees for all of their years of dedication to their countless students and colleagues. We will truly miss you all. We wish you all the best in your retirement!

Miss Townsend

Miss Townsend graduated from UMASS Amherst. She has two children and a five year old granddaughter. Miss Townsend joined the Methuen school system in 1974 and taught at the high school, CGS, and Marsh for their opening years and went to the Timony both as a student and a teacher. Miss Townsend loves the kids and her area of expertise and its relationship to life skills. The fondest memory she has is having past students come back to visit and share their lives and families with her. She will miss the laughter of the kids, all that they have taught her, and their willingness to learn and share. Her biggest contributions to our school have been her smile, her openness, and her life stories. She says "There is nothing you can say that will shock me, because I have seen it all." She hopes that the family consumer science department remains an important component in the school, because it teaches kids necessary life skills. The biggest changes that Miss Townsend has seen while working in MHS is the increase in class size and additional walls. After her retirement, she intends to start a business, travel on her motorcycle, relax, and enjoy life. Her final message to everyone is to be proud of your school and Methuen kids are good and kind kids. "I will always cherish my days in Methuen I will always be proud to say that I loved teaching in Methuen!"

Blue and White

The Blue and White school newspaper is a club geared towards students who value their own input and opinions on news that's happening around the globe, nation, or in the school building. Every month, members meet up to discuss current events, sports, or other topics of interest or debate. We applaud each group member's effort towards helping make the Blue and White a complete success.

National Honor Society

The National Honor Society is an elite group of students who must excel in 4 areas- Scholarship, Leadership, Service, and Character. They must have a GPA of 3.5 to be considered, and then must perform various community and school services to be inducted. After they become members, they must maintain excellence in the 4 aforementioned areas. We have participated in the Methuen Santa Parade, many students do tutoring for other students after school, 8th grade tours, church services, homeless shelters, and nursing home services, and a spaghetti dinner fundraiser.

Science Fair

Mr. Harb and the entire Science Department would like to thank the students, parents, teachers, school administration and all those who helped make the science fair such a great success. Each and every student was a great representative of Methuen High School, and should take pride in their work. This year's winners of the Methuen High School Science Fair, Kristian Teichert & Lauren Wojtowicz, will also represent Methuen High School at the Massachusetts State Science Fair at MIT.

Yearbook

The Methuen High School Yearbook is open to all students in all grades. Editors and staff members are responsible for the design, creation, marketing, and sales of the Yearbook. Planning begins in the Spring, and the editors attend a summer training workshop to design the cover and learn the many aspects of creating the book. The entire yearbook is created online, and all grades are covered. Distribution is made to seniors at the Senior Breakfast in May and the rest of the students the following week. Many successful people have served as yearbook editors over the years, including Mr. Nick, who served as Ediotr-in-Chief of the MHS yearbook when he was a senior.

Independent Theatre Club

Independent Theatre Club was started by students in September of 2007. We meet every Friday and every other Monday after school in Rm NW14 or the Auditorium. We perform straight plays and comedies (no musicals). It is student driven: the actors choose the play, set up the rehearsals, direct the playsdo their own make-up, props, costumes and set painting. We usually put on the play for the public in the late winter or early spring. In the past we have also entered a state-wide competition of high school drama clubs. We have a core of about a dozen dedicated students that have been with us for 3 or 4 years. When we audition for our plays in the fall we always meet and cast new members every year.

DECA

Distributive Education Clubs of America (DECA) is an extra-curricula organization that helps to enhance the business student's learning environment. DECA's programs and activities have constantly evolved as we use the latest technology and apply cutting edge educational research. Our core focus has remained consistent and is captured in our mission.

DECA prepares emerging leaders and entrepreneurs for careers in marketing, finance, hospitality and management in high school, colleges, and workplaces around the globe. This year club members will take part in; fundraising activities, district/state/international competitions, and community service projects.

Adopt-a-Grandparent

Adopt - a - Grandparent is a group designed to bring senior citizens and high school students of the community together. This organization is open to any high school student wishing and willing to interact with senior citizens. Through the year, many activities will take place both in and out of school. Some of these activities may include: 45's tournaments, shuffleboard, catering a breakfast, dancing, jazz concerts, engaging in conversations, and holiday activities. This is a community service project that must be taken seriously by its members. Members of this grouip must be responsible and respectful of the people around them. As a student of Methuen High School, it is important for each individual to represent our school in a positive way and carry our pride into the . Through a collaborative effort, we hope to bring together Methuen's eyes of the past with the eyes of the future.

Rangerland Preschool

Rangerland Preschool enrolls four year old children who live in Methuen. The preschool allows high school students in Education 1 to gain experience in teaching preschool children. Students work three days a week working with the children on their social, emotional, cognitive and physical development. The other days, high school students plan and learn a variety of concepts related to preschool children. Students in Education 2 assist in the business operation of Rangerland. The Early Education and care program supports a variety of community events.

Best Buddies

The mission of Best Buddies is to enhance the lives of people with intellectual disabilities by providing opportunities for one-on-one friendships. People with intellectual disabilities are often excluded from society because of their differences. Best Buddies is determined to end social isolation for people with intellectual disabilities by establishing meaningful, lasting one-on-one friendships with their non-disabled peers. Their friendships help increase self-esteem, confidence, and the abilities of people with and without intellectual disabilities.

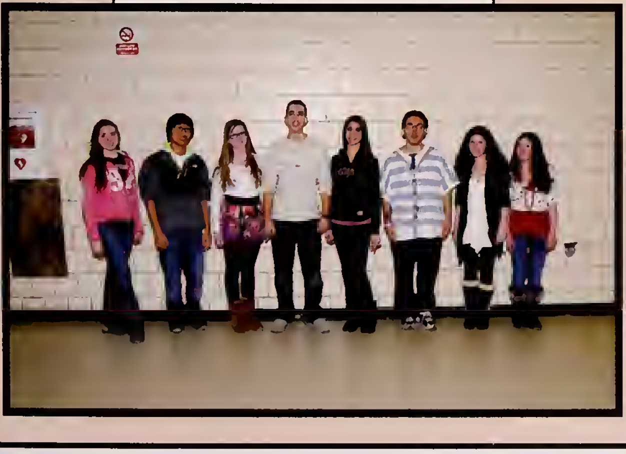
Peer Leaders



Methuen High School's Peer Leadership program is designed for students who wish to be proactive in making positive changes in themselves, their community, their educational enviornment, and in others. Peer Leaders accomplish this by using positive peer influence to promote social responsibility in youth with opportunities to provide community service and model pro-social behavior. The Peer Leader Program also serves to strengthen the self-esteem of the student by providing them with leadership experience and an opportunity to play a meaningful role in the lives of others. Some of the activities that the Peer Leaders are involved in include (but are not limited to): 1. Food collection and Donation to the Lazarus House 2. Promotion of alternative Drug-Free school and community activities 3. Senior Citizen Olympics 4. Student activity open house

Although all students are welcome to participate in the program, it is expected that they adhere to the guidelines of the student handbook and are willing to follow the ideals of a drug-free, violence-free school and present themselves as role models to their peers.

Books and Bagels

If you like bagels, a good book, and lively conversation to start your day, then Books & Bagels is your kind of club. Any student can join; all you need is a love of reading and the willingness to participate in the student led book discussion. B & B members meet monthly in the media center, eat bagels and discuss the student chosen book of the month. Our goal is simple: Have Fun and Read a Good Book!

Photography Club

Meets Tuesday at 2:00 (most Tuesdays depends on the co-presidents) in AR4. Students should plan for about 20 - 30 minutes of club meeting. They will need to provide their own transportation home. This is a low key, student club (elected officers) that is teacher monitored. This is a photo critique discussion club, not a photo-taking club. Students do not have to own a camera, but should have means to take photos and bring them into the club for discussion. This club does not use the darkroom. You do not have to have taken a photography class. You will have access to computers for digital photo use. Students may even compare some of their work to master photographers. Photo club is for those students really serious about making artsy and perfect photos. We may take photos for the yearbook, attend after-school field trips, and contribute/volunteer for Community Events. The purpose of Photo Club is to learn how to take better photos, enjoy a friendly social interaction with students that like to take photos, and have common interests.

Multicultural Club

The multicultural club "voices of the cultures" is a grassroots movement that was founded by the Class of 2007, they felt the need to develop a peer support system and guidance services for students that are new to the country, come from a different culture, and/or are new to Methuen High School. This group encourages and promotes individual self-awareness and growth by learning more about their own culture and heritage. At the same time, students also learn to embrace other cultures other than their own. The group strives to improve the student/staff relationships to create a better understanding of multicultural awareness; thus creating an enviornment that celebrates the diversity that is represented at Methuen High School. The goal of this group is to provide students and staff with the means and support to share information, build a more collaborative effort and initiative, creating and achieving a more positive culture and spirit at Methuen High School.

Advisor: Johnetta Hudson

Editors - in - Chief: Jake Peters, Jackie Flynn

This year was certainly a bumpy ride for the Yearbook committee, but in the end we pulled through. Congratulations to the staff, interns, Mrs. Hudson, and my fellow editors for an excellent Yearbook, without them it would not have been possible.

-Jake Peters

I want to thank everyone for what they did to help the yearbook, you all know who you are. I also want to say to the staff that we did a great job on the yearbook, and that I wish you luck next year.

-Jackie Flynn

A word of thanks....

This is yearbook number six for me! I am grateful for the opportunity that administration has given me to work with our staff and students. I have loved and enjoyed every minute of it, and I would like to thank everyone for their support over the past seven years.

Once again, the yearbook staff has put together your high school memories, and we hope you will enjoy it as much as we have enjoyed working on it. We are thankful that we were able to pull the 2011 yearbook together. The yearbook staff could not have done it without the support of our administrators, faculty, staff, and the entire student body

Michael Downs, what a trooper! We want to thank you for your assistance and guidance. We would like to thank the rest of our administrative staff for listening to and cooperating with us. Our clubs/organizations advisors, for encouraging their members to be a part of our lasting memories. The media center crew – Maria Mastrocola, Margaret Moynihan, Paula Cross and Dave Shaheen, for allowing us to invade their space, giving us their daily support and patience. It is amazing how Joy Santoro can multi task with all she does and still finds time to assist us. Ellie Sicard, for dotting our i's and crossing our t's. Paula George for all those sports news. Jason LaPointe, for committing himself to purchasing a yearbook year after year. David Takesian (Tarky) for dedicating himself to getting every piece of our packages to us. Nick Collopy, Bill Silver, and Julie Chopas for their continuous technical support. Our retirees, for their many years of service!

To our teachers who also serve as coaches – Richard Barden, Jeff Osgood, Jason Smith, Kevin Alliette, Tom Tone, and Peter Kitsos; captains and players – Cooper Brown, Cam Kelley, Brain Sim, Ed Wallace, Lauren Loffredo, Rebecca Armstrong, Tabitha Houle, Noelle Travers, Jason Pendergast, Casey Barnacle, Ashley LeBlanc, Mike Gorman, and Julia Eliopolous, for always willingly filling in our blanks in the sports section

To my wonderful staff, there are not enough words to thank you for all your hard work and patience. I have been blessed with a hard working and devoted team this year. I have also had the opportunity to work with my co-editors-in-chief, Jake Peters and Jackie Flynn and my senior editors, Sarah Croughwell and Jessie Flynn over the last four years. I am amazed by how these students have grown up, matured, and worked so hard over the last four years. Our sophomore editor, Taylor, Lawton and the members of our staff who hung in there with us – Kelsey Fox, Jessica Rizkallah, Carla Khoder, Stephanie Santamaria, Sarah Boyd, Tyler Gervasio, and Monica Rizkallah. Our interns, Ashley Twomey and Rachely Ramos who worked hard alongside our editors and staff and went over the mile for us! Again, thanks to my entire staff for a successful year!
Congratulations to our yearbook staff seniors ~ Jake Peters, Jackie and Jessie Flynn, Sarah Croughwell, Jessica Rizkallah, Kelsey Fox, Carla Khoder, Sarah Boyd, and Stephanie Santamaria. I wish you all the best!
Congratulations class of 2011 ~ I wish you all a bright future!
